

In-Home COVID-19 Vaccinations Available for Homebound LA County Residents

Can I participate?

You are eligible if you have difficulty leaving your home safely by yourself in order to get vaccinated against COVID-19.

Sign up:

Self-referrals and referrals from organizations, agencies, providers, caregivers, family members, and loved ones are all welcome!

- You can request in-home vaccination by filling out an online form (see below).

<https://tinyurl.com/9txudt9b>

Hold your phone camera over the square to go to the webpage

- Or by calling 1-833-540-0473 (8:00am-8:30pm, 7 days a week) or dialing 2-1-1 to request an in-home vaccination over the phone. Multiple languages are available.

Get vaccinated, stay protected

COVID-19 vaccines (Pfizer, Moderna, Johnson & Johnson) are all proven to be safe and effective in protecting you from getting sick.

Participating in-home vaccination providers include:

- Oxford HealthCare and MaxVax
- Med Arrive and Falck Mobile Health
- Participating local fire department
- NAPCA (National Asian Pacific Center on Aging)

If you have questions about in-home vaccinations, transportation options, or about COVID-19 vaccines in general, please call Public Health at 833-540-0473 or visit our website at VaccinateLACounty.com.
